PATIENT RIGHTS

Digestive Health Endoscopy Center strives to provide excellent care and service. As a patient you have the right to:

1. Become informed of rights as a patient in advance of, or when discontinuing, the provision of care. The patient may appoint a representative to receive this information if patient should desire.
2. Be treated with dignity and to be free from all forms of abuse or harassment. Receive considerate and respectful care provided in a safe environment.
3. Remain free from seclusion or restraints of any form that are not medically necessary or are used as a means of coercion, discipline, convenience or retaliation by staff.
4. Exercise these rights without regard to age, race, disability, sex or cultural, economic, education, or religious background or the source of payment for care.
5. Know the name of the physician and professional staff who have primary responsibility for coordinating your care and the name and professional relationships of other physicians and non-physicians who will participate in care.
6. Receive information regarding illness, course of treatment and prospects for recovery in terms that you can understand.
7. Receive as much information about any proposed treatment or procedure as needed in order to give informed consent or to refuse this course of treatment. Except in emergencies, this information shall include a description of the procedure or treatment, the medically significant risks involved in this treatment, alternate course of treatment or non-treatment and the risks involved in each and to know the name of the person who will carry out the procedure or treatment.
8. Be actively involved in decision making process regarding diagnosis, evaluation, treatment and prognosis of your medical care as permitted by law, this includes the right to request and/or refuse treatment.
9. Know that the Endoscopy Center is limited to elective endoscopy and does not perform high-risk endoscopic procedures. Therefore, the Clinic or Endoscopy Center will not acknowledge advance directives. In the event of an emergency, the patient will be stabilized and transferred to the hospital as soon as possible.
10. Change physicians if desired, either within the practice (upon approval) or another physician of your choice.
11. Full consideration of privacy concerning the medical care program. Case discussion, consultation, examination and treatment are confidential and should be conducted discreetly. You have the right to be advised as to the reason for the presence of any individual involved in your healthcare.
12. Confidential treatment of all communications and records pertaining to your care and visit at the Clinic or Endoscopy Center. Your written permission shall be obtained before medical records can be made available to anyone not directly concerned with your care, except when said release is required by law.
13. Full disclosure of the privacy policy.
14. Access information contained in your medical records within a reasonable time frame in accordance with state/federal laws and regulations.
15. Reasonable responses to any reasonable requests made for service.
16. Leave the Clinic or Endoscopy Center even against the advice of the attending physician.
17. Reasonable continuity of care and to know in advance the time and location of appointment as well as the physician providing the care.
18. Be advised if Clinic/Endoscopy Center proposes to engage in or perform human experimentation affecting the care or treatment, you have the right to refuse to participate in such research projects or clinical trials.
19. Be informed by the attending physician or designee of the continuing health care requirements following discharge.
20. Obtain information before scheduled procedure about payment requirements, regardless of source of payment.
21. Examine and receive an explanation of the bill, including an itemized statement, within 30 days of treatment regardless of source of payment.
22. Request in advance of treatment whether the facility accepts Medicare assignment rates (if eligible for Medicare).
23. Have all patient’s rights apply to the legal guardian who makes medical decisions on your behalf.
24. Receive the appropriate knowledge regarding absence of malpractice insurance.
25. Receive appropriate information regarding provider credentialing.
26. Be advised of the Clinic/Endoscopy Center’s grievance process. Should you wish to communicate a compliment, concern or complaint regarding the quality of care that is received, you may contact the facility Administrator, Nurse Manager, or Medical Director at 910 323-2477 Monday through Thursday from 8am to 5pm and on Friday from 8am until 1pm. A list of these Patient’s Rights is posted within the Clinic/Endoscopy Center so that such rights may be read by all patients. All Physicians, Clinic/Endoscopy Center personnel, medical staff members and contracted agency personnel performing patient care activities shall observe these patient’s rights.

**PATIENT RESPONSIBILITIES**

The care a patient receives depends partially on the patient himself. Therefore, in addition to these rights, a patient has certain responsibilities as well. These responsibilities should be present to the patent in the spirit of mutual trust and respect:

1. Provide accurate and complete information about present complaint, past illnesses, hospitalizations, any medications including over-the-counter products and dietary supplements, any allergies or sensitivities, and other matters related to your health status.
2. Make it known whether course of treatment and what is expected of the patient is clearly understood.
3. Follow the treatment plan established by the physician, including the instructions of nurses and other health professionals as they carry out the physician’s orders.
4. Provide a mature and responsible adult to transport the patient home from the Endoscopy Center and to be available for the patient for a 24-hour period as required by the physician.
5. Keep appointments and notify the Clinic/Endoscopy Center as soon as possible if unable to keep an appointment.
6. Accept responsibility for any actions resulting from the refusal to follow treatment or physician’s orders.
7. Inform the physician about any Living Will, Medical Power or Attorney, or other Directive that could affect the patient’s care.
8. Accept and ensure that the financial obligations of care are fulfilled as promptly as possible.
9. Follow Clinic/Endoscopy Center rules and regulations.
10. Be considerate of the rights of other patients and Endoscopy Center personnel.
11. Be respectful of personal property and that of other people in the Endoscopy Center.

I acknowledge the receipt and opportunity to review the Patient’s Rights and Responsibilities and information regarding Advanced Directive prior to my procedure.

**The physicians of Cape Fear Center for Digestive Diseases have a financial interest and ownership in the Endoscopy Center.**

1. Do you have an Advance Directive or Do Not Resuscitate Order (DNR)?  
2. (If yes to #1) I will supply a copy of my Advance Directive in case of hospital transfer.  
3. I have read the above and understand the DHEC does not honor Advance Directives.  
4. I understand, in the event of an accidental needle stick, I will be required to have blood drawn for testing.
